SUBPART A: INTRODUCTION AND DEFINITIONS

Section 401.30 Purpose

- a) The purpose of this Part is to prescribe the standards for licensure as a child welfare agency and to describe how to apply for a child welfare agency license. This Part also prescribes the duties of a child welfare agency to monitor and supervise child care facilities under its supervisory authority.
- b) The licensing standards set forth in this Part are applicable to child welfare agencies as defined in the Child Care Act of 1969 [225 ILCS 10/2.08]. Granting a license to a child welfare agency does not guarantee a contract with the State of Illinois or the Illinois Department of Children and Family Services.

Section 401.40 Definitions

"Adequate assets" means the child welfare agency has sufficient liquid assets in reserve or has other sources of income and a line of credit independent of Department contracts which would allow it to provide continuous agency operations and provide services such as staff, taxes, rent, utilities, and supplies for a period of at least 30 days.

"Administrative order of closure" means a severe administrative sanction, approved by the Director of the Department of Children and Family Services, to close immediately an unlicensed child care facility, a child care facility which is exempt from licensure, or a licensed child care facility prior to revocation of the facility's license. An administrative order of closure is issued only when continued operation of the child care facility jeopardizes the health, safety, morals, or welfare of children served by the facility.

401.APPENDIX A: Licensing Progression for Child Welfare Agencies

License Status	Explanation
Permit	Issued only once prior to issuance of a provisional license for not more than six months to enable a new child welfare agency to come into reasonable compliance with licensing standards before an initial, provisional license is issued.
Provisional License	Issued for the first two years of initial licensure to allow a newly licensed facility a period of time to demonstrate the ability to operate the child welfare agency responsibly and remain in compliance with licensing standards. Allows the Department of Children and Family Services to evaluate the quality of licensing and child welfare services provided by the agency. A provisional license may also be issued when a child welfare agency reapplies for licensure after the prior license was voluntarily surrendered, revoked or the Department refused to renew the license.
Full License	Issued after a child welfare agency has completed its provisional license period when the agency is in reasonable compliance with licensing standards and has demonstrated the ability to operate the child welfare agency responsibly.
Conditional License	Issued for not more than six months to enable a child welfare agency to correct deficiencies in its operations which do not jeopardize the health, safety, morals or welfare of the children served. Any other license held by the agency is revoked when a conditional license is issued. If the facility fails to correct the deficiencies and meet all licensing standards at the end of the conditional license period, the Department shall deny full license. (See [225 ILCS 10/8.2])
Deemed Status	Programs of the child welfare agency are deemed to be in full compliance with the requirements of this Part because the program is fully accredited by the Council on Accreditation of Services for Families and Children and there have been no substantiated licensing complaints which affect the health, safety, morals, or welfare of children served by the agency during the past four years. The Department shall conduct annual monitoring visits to verify continued compliance with the requirements of this Part.

DEPARTMENT OF CHILDREN AND FAMILY SERVICES
POLICY GUIDE 2017.04
LICENSING STANDARDS FOR CHILD WELFARE AGENCIES
ADOPTION-ONLY HOMES

DATE: February 17, 2017
TO: DCFS and Private Agency Adoption and Licensing Staff
FROM: George H. Sheldon, Director
EFFECTIVE: Immediately

I. PURPOSE

This purpose of this Policy Guide is to inform staff of several amendments in Illinois law affecting “Adoption-Only Homes” made in **Public Act 99-833**. In the coming months DCFS will propose amendments and revisions to **Rules and Procedures 401, Licensing Standards for Child Welfare Agencies**. In the interim, this Policy Guide will serve as procedures necessary for the implementation of Sections 3.2 and 3.3 of this Public Act.

II. PRIMARY USERS

The primary users of this Policy Guide are Department and Private Agency adoption and licensing staff that provide adoption services and foster care licensing services.

III. SUMMARY OF LEGISLATIVE CHANGES

Public Act 099-833, effective January 1, 2017 amends Sections (2.08), (2.17), (2.23), (2.25), (7.4), (7.6) and adds Sections (3.2) and (3.3) of the Child Care Act of 1969 as amended. P.A. 099-833 further changes The Adoption Act by amending Section (10) and adding Sections (12.2) and (12.3).

IV. BACKGROUND

Effective January 1, 2017, an “adoption-only” home supervised by a licensed child welfare agency is no longer required to be licensed as a foster home by the Department.

“Adoption-only home” is defined as *“a home that receives a child placed by an Illinois licensed child welfare agency providing adoption services for the sole purpose of adoption. The child shall not be under the custody or guardianship of Department pursuant to the Juvenile Court Act of 1987. Such adoption-only homes shall not be required to be licensed as a child care facility under this Act, but shall be required to meet the requirements set forth in Section 3.2 of this Act.”* [225 ILCS 10/2.23]

In order to approve an adoption-only home, a licensed child welfare agency shall:

- *conduct a home study, which shall consist of a thorough assessment of any prospective adoptive parent's physical, mental, financial and emotional ability to successfully parent a child through adoption;*
- *obtain a criminal background check of all adult residents in the home pursuant to Section 3.3 of this Act*
- *obtain child abuse background checks of all residents in the home who are 13 years of age or over*
- *assess the health of all prospective adoptive parents and family members living in the home, as well as any other residents of the home*
- *assess the finances of the prospective adoptive parent or parents*
- *obtain character references for the prospective adoptive parent or parents;*
- *assess the safety of the adoptive home*
- *provide adoption education and training to the prospective adoptive parent or parents*
- *conduct a pre-placement home visit and post-placement supervision*

Agencies may impose any other reasonable requirements that the agency deems appropriate in approving an adoption-only home.

Agencies shall provide the adoptive parent(s) the Adoptive Parents' Rights and Responsibilities prior to the finalization of an adoption. This is available as **CFS 403-D, Adoptive Parents' Rights and Responsibilities in Illinois** and may be used by agencies to facilitate this requirement.

The agencies and institutions licensing representative shall document an agencies' compliance with these requirements on the **CFS 520**.

The following standards are intended to ensure the safety and protection of children who are voluntarily surrendered to a licensed child welfare agency ("agency") and placed into an adoption-only home.

POLICY GUIDE 99.03

APPROVAL FOR TRANSFER OF FOSTER HOME LICENSE AND CHILDREN'S CASES BETWEEN PRIVATE AGENCIES

DATE: February 15, 1999

TO: Rules and Procedures Bookholders, Private Agency Child Welfare Staff and Agency Performance Team Monitors

FROM: Jess McDonald

EFFECTIVE: Immediately

I. PURPOSE

The purpose of this Policy Guide is to inform all private agency staff and agency performance team monitors of the approval process for transferring a license of a private agency foster home and the child(ren) cases who are in their care to another private agency. When conflict arises between private agency staff and a foster parent, the foster home license and child(ren) case cannot be transferred to another agency without the approval of the Department Agency Performance Monitor.

II. APPROVAL REQUIREMENTS

The transfer of children's cases and foster parents license can have a detrimental effect on the child(ren) services and permanency. Resolution of the foster parent's dissatisfaction within the same agency is in the best interest of all parties. Transferring of license and child(ren) cases should be a last resort and only at the approval of the Department's Agency Performance Monitors.

Foster parents who are in good standing and not under licensing enforcement have the right to request that their foster home license be transferred to another supervising agency, as well as the child(ren) case in their care. A transfer of a child(ren) case is considered a last resort and must be in the child(ren) best interest. A transfer of the foster home license and child(ren) case must be approved by the Agency Performance Monitor of the current supervising agency.

The following shall be completed prior to the approval of a transfer:

- 1) A written explanation of issues shall be sent to the Agency Performance Monitor of the supervising agency by the foster parent. The explanation of issues shall include:
 - a) nature of the complaint,
 - b) the issues and concerns as they relate to the foster home and the best interest of the children,
 - c) the steps that the foster parent has taken to resolve the situation; and
 - d) the outcome of steps taken.
- 2) Problem resolution efforts by the Agency Performance Team monitor shall be completed and recommendations shall be documented by the agency in the agency file and foster parents licensing file. The Agency Performance Monitor shall request the foster home licensing file and children's case file from the private agency to assist in the problem resolution process and to obtain information regarding the foster parents current licensing status with the private agency. Based on the file review, the Agency Performance Monitor may determine that additional people should be part of the problem resolution. Problem resolution shall begin within 5 days of receiving the written request for transfer from the foster parents. Problem resolution efforts should be concluded within 20 days.
- 3) Problem resolution is considered successful when:
 - a) the issues were resolved and both parties are satisfied with the outcome, or
 - b) the issues were resolved by transferring the case to another case manager within the same supervising agency.
- 4) When problem resolution results in the recommendation of transferring a foster parent license and a child(ren) case to another supervising agency, the Agency Performance Monitor is responsible for assuring that all parties working with the case are notified of the situation resulting in the transfer and that the transfer is complete.
- 5) In some instances, the Agency Performance Monitor could determine by the file review that problem resolution is not appropriate and that additional intervention into the situation will be required. In these instances, the Agency Performance Monitor shall notify his or her supervisor by telephone of the results of the file review and together they shall determine the follow-up needed to resolve the situation.

III. RESPONSIBILITIES OF AGENCY RECEIVING NEW TRANSFER

The Agency Performance Monitor to the new agency shall identify cases that are being transferred to a new agency under the provisions of this Policy Guide as such. Follow up by the new agency shall be as follows:

- 1) contact with the foster home and child(ren) within 2 days;
- 2) review file;
- 3) obtain a new 597A - Application for Family Home License to authorize the new agency/team to assume supervisory responsibility;
- 4) obtain a release of information to request the licensing file;
- 5) verify that background clearances have been completed;
- 6) document any non-compliance licensing issues which must be resolved; and
- 7) complete the private agency requirements for transfer of licensing supervision.

IV. RULES TO REFERENCE

During the file review and the problem resolution, the following rules may need to be consulted:

Rule 301, Appendix E - Placement Clearance Desk (information regarding placing a hold on the foster home)
Rule 300 - Reports of Child Abuse and Neglect
Rule 402 - Licensing Standards for Foster Family Homes (information regarding licensing compliance of the home)
